

## Premier American Uranium to Ring the Opening Bell at the Toronto Stock Exchange

Toronto, ON, February 28, 2024 – Premier American Uranium Inc. (“PUR”, the “Company” or “Premier American Uranium”) (TSXV: PUR) is pleased to announce that the Company will ring the opening bell at the Toronto Stock Exchange (“TSX”) on Friday, March 1, 2024, at 9:30 AM ET to commemorate its recent listing under the symbol “PUR”. A live webcast of the ceremony is expected to be available beginning shortly before 9:30 AM ET on BNN Bloomberg and on YouTube at [https://youtube.com/live/2MzWz\\_Id0Zw?feature=share](https://youtube.com/live/2MzWz_Id0Zw?feature=share).

Tim Rotolo, CEO and Director, commented, “Being listed on Canada’s most senior stock exchange reflects our commitment to creating value for our shareholders and we greatly appreciate the opportunity to ring the opening bell this week. With uranium fundamentals remaining strong, we are encouraged by the early response from the market since our listing, and look forward leveraging this momentum to advance our uranium portfolio and growth strategy in the U.S.”

### About Premier American Uranium

Premier American Uranium Inc. is focused on the consolidation, exploration, and development of uranium projects in the United States. One of PUR’s key strengths is the extensive land holdings in two prominent uranium-producing regions in the United States: the Great Divide Basin of Wyoming and the Uravan Mineral Belt of Colorado. With a rich history of past production and historic uranium mineral resources, PUR has work programs underway to advance its portfolio.

Backed by Sachem Cove Partners, IsoEnergy and additional institutional investors, and an unparalleled team with U.S. uranium experience, PUR’s entry into the market comes at a well-timed opportunity, as uranium fundamentals are currently the strongest they have been in a decade.

### **Cautionary Statement Regarding Forward-Looking Information**

*This news release contains “forward-looking information” within the meaning of applicable Canadian securities laws. Forward-looking information includes, but is not limited to, statements with respect to, planned exploration activities; and other activities, events or developments that are expected, anticipated or may occur in the future. Generally, but not always, forward-looking information and statements can be identified by the use of words such as “plans”, “expects”, “is expected”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or the negative connotation thereof or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “would”, “might” or “will be taken”, “occur” or “be achieved” or the negative connotation thereof.*

*Forward-looking information and statements are based on our current expectations, beliefs, assumptions, estimates and forecasts about PUR’s business and the industry and markets in which it operates. Such forward-looking information and statements are based on numerous assumptions, including among others, expectations regarding negative operating cash flow and dependence on third party financing, uncertainty of additional financing, no known mineral reserves or resources, reliance on key management and other personnel, potential downturns in economic conditions, actual results of exploration activities being different than anticipated, changes in exploration programs based upon results, risks generally associated with the mineral exploration industry, environmental risks, changes in laws and regulations, community relations, delays in obtaining governmental or other approvals and the risk factors with respect to Premier American Uranium set out in PUR’s listing application dated November 27, 2023 and the other documents of PUR filed with the Canadian securities regulators and available under PUR’s profile on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca).*

*Although the assumptions made by PUR in providing forward-looking information or making forward-looking statements are considered reasonable by management at the time, there can be no assurance that such assumptions will prove to be accurate. Forward-looking information and statements also involve known and unknown risks and uncertainties and other factors, which may cause actual results, performances and achievements of Premier American Uranium to differ materially from any projections of results, performances and achievements of Premier American Uranium expressed or implied by such forward-looking information or statements, including, among others: limited operating history, negative operating cash flow and dependence on third party financing, uncertainty of additional financing, delays or failure to obtain required permits and regulatory approvals, no known mineral resources/reserves, reliance on a single project, aboriginal title and consultation issues, reliance on key management and other personnel; potential downturns in economic conditions; availability of third party contractors; availability of equipment and supplies; failure of equipment to operate as anticipated; accidents, effects of weather and other natural phenomena and other risks associated with the mineral exploration industry; changes in laws and regulation, competition, and uninsurable risks.*

*Although PUR has attempted to identify important factors that could cause actual actions, events or results to differ materially from those contained in the forward-looking information or implied by forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking information and statements will prove to be accurate, as actual results and future events could differ materially from those anticipated, estimated or intended. Accordingly, readers should not place undue reliance on forward-looking statements or information. PUR undertakes no obligation to*

*update or reissue forward-looking information as a result of new information or events except as required by applicable securities laws.*
